NOTE: AS OF 2021, NO MODEL INCLUDES A BASE STATION COVER. THEY ARE LISTED AS EXTRAS BELOW. ALL AREAS LISTED ARE A MAXIMUM FIGURE, AND ARE CALCULATED CONSIDERING PERFECT CONDITIONS.

*Complex lawns, lawns in high growth areas and lawns with high density or thickness may require extra batteries to be installed in the mowers to achieve the declared SQm2 coverage.

It is also possible add extra batteries to reduce the charge/discharge cycles and getting more free lawn time.

**We highly recommend extra battery/s to achieve declared SQm2
